

List of dissertation/internship students from TBT Lab:

S. No.	University/ Institute Name	Name, class and contact	Year	Affiliations with TBT Lab	Photograph
1.	Department of Biochemistry, Central University of Rajasthan, Ajmer, Rajasthan	Purnima Pandey (M.Sc. Biochemistry) Email- pandeypurnima 228@gmail.com	2025 (One Month- June- July)	Summer Internship on “Animal Cell Culture Laboratory and Basic Molecular Biology Techniques”	
2.	Department of Biotechnology, Central University of Rajasthan, Ajmer, Rajasthan	Neha Bagri (M.Sc. Biotechnology) Email- bagrin541@gmail.com	2025 (One Month- June- July)	Summer Internship on “Animal cell culture and molecular biology techniques”	
3.	Department of Biotechnology, Central University of South Bihar (CUSB), Gaya, Bihar	Priyanshi Kumari (M.Sc. Biotechnology) Email- kpriyanshi8218 @gmail.com	2025 (Five Months: January- May)	M.Sc. Dissertation (visiting) on “Comparative analysis of glutamine metabolism inhibitory potential of pyrogallol and benzyl serine and their impact on T-cell lymphoma growth”	
4.	Department of Biotechnology, Central University of South Bihar (CUSB), Gaya, Bihar	Ilham Rahman (M.Sc. Biotechnology) Email- ilhamrahman07 0@gmail.com	2025 (Five Months: January- May)	M.Sc. Dissertation (visiting) on “Tumor growth regulatory action of Thyroxine in T lymphoma cells: A role of deregulated glycolysis”	

5.	Goel Institute of Technology and Management (GITM), Lucknow	Sauryan Rai (B.Tech Biotechnology) Email- sauryanraiarma@gmail.com	2024 (Three Months: September-November)	Winter Internship on “Hands-on Training on Cell Culture and Basic Molecular Biology Techniques”	
6.	Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow-226201	Pragya Tiwari (B.Tech Biotechnology) Email- mail.pragya.tiwari23@gmail.com	2024 (One Month: July-August)	Summer Internship on “Hands on training on Cell Culture and Basic Molecular Biology Techniques.”	
7.	Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow-226201	Hema Kumari (B.Tech Biotechnology) Email- kumarihema99999@gmail.com	2024 (One Month: July-August)	Summer Internship on “Hands on training on Cell Culture and Basic Molecular Biology Techniques.”	
8.	Central University of Punjab Bathinda, Punjab-151401	Ashutosh K Tiwari (M.Sc. Zoology) Email- ashutoshlokes h@gmail.com	2024 (One Month: June-July)	Summer Internship on “Hands on training on Cell Culture and Basic Molecular Biology Techniques.”	

9.	Banaras Hindu University	Shoumya Shree (M.Sc. Zoology) Email- shoumyamgs@gmail.com ; riyamgs11@gmail.com	2022-2024	Dissertation on “A field study on analysis of agronomic practices of pesticides and their impact on metabolic disorders in south-eastern region of Uttar Pradesh.”	
10.	JSS Academy of Higher Education and Research, Mysore, Karnataka	Sakshi Chandra (M.Sc. Molecular Biology) Email- csakshi04@gmail.com	2024 (Six months: February - July)	M.Sc. Dissertation (visiting) on “Evaluation of the impact of methimazole on tumor growth and chemoresistance”	
11.	Banaras Hindu University	Swastik Arya (M.Sc. Zoology) Email- arya.36swat@gmail.com	2022-2024	Dissertation on “In-silico studies to identify insecticidal property of phytochemicals against the malaria vector <i>Anopheles culicifacies</i> by targeting the key enzymes of Dopamine, Tyramine and Octopamine biosynthesis pathways”	

12.	Banaras Hindu University	Mayank Tiwary (B.Sc. Hons.) Email- mayankmr5tiwary@gmail.com	2021-2024	Term Paper on “Innovations in Cancer research: A hopeful horizon”	
13.	Banaras Hindu University	Anuj Sonkar (B.Sc. Hons.) Email- sonkaranuj021@gmail.com	2021-2024	Term Paper on “Pancreatic Cancer and its Therapeutic strategies”	
14.	Banaras Hindu University	Atal Singh (B.Sc. Hons.) Email- atalsinghnow@gmail.com	2021-2024	Term Paper on “Exploring Epithelial to Mesenchymal Transition (EMT): A Key player in Cancer Metastasis”	
15.	Amity University	Manwi Shankar (M.Sc. Forensic Science) Email- manwishankar@gmail.com	2023 Two months (02/09/23 - 31/10/23)	CSTUP SRFP (Summer Research Fellowship) On “Investigating the anticancer potential of various plant based compounds through molecular docking analysis.”	
16.	University of Hyderabad	Shashwat Rai (M.Sc. Life Science) Email- shashwatrai68@gmail.com	2023 Two months (28/05/23 - 24/07/23)	M.Sc. Dissertation (visiting) on “Basic cell culture and Molecular technique”	

17.	National Institute of Technology, Rourkela	Shalini Yadav (M.Sc. Life Science) Email- shalini00486@gmail.com	2023 Two months (24/05/23 - 20/07/23)	M.Sc. Dissertation (visiting) on “Basic cell culture and Molecular technique”	
18.	Banaras Hindu University	Simran Yadav (M.Sc. Zoology) Email- yadavsimran143@gmail.com	2021-2023	Dissertation on “Targeting Plasmepsin V and Lactate Dehydrogenase by molecular docking: A new approach for antimalarial drug discovery and various wet laboratory techniques.”	
19.	Banaras Hindu University	Kajal (M.Sc. Zoology) Email- nishakajalbhu@gmail.com	2021-2023	Dissertation on “An in-silico approach to evaluate the therapeutic potential of insect derived peptides against idiopathic membranous nephropathy.”	

20.	Banaras Hindu University	Priya Pandey (M.Sc. Zoology) Email- priyapandey30.sp@gmail.com	2021-2023	Dissertation on “Molecular docking studies of Solenopsin to apoptosis, cell cycle regulation, invasion and metastasis, angiogenesis and glycolysis molecules.”	
21.	Banasthali University	Ishika Jain (M.Sc. Biotechnology) Email- ishikajain2112@gmail.com	2021-2023	Dissertation on “Identification of metabolic inhibitory potential of certain phytochemicals by in silico methods and hands-on training on related wet-lab techniques.”	
22.	Banaras Hindu University	Abhishek Kumar (M.Sc. Zoology) Email- ak24096@gmail.com	2020-2022	Dissertation on “Role of Antimicrobial peptides in insect immunity.”	

23.	Banaras Hindu University	Pooja Aggarwal (M.Sc. Zoology) Email- ng19081996@gmail.com	2020-2022	Dissertation on “Anticancer activities of insect derived peptides.”	
24.	Banaras Hindu University	Rishita Pandey (B.Sc. Hons) Email- rishitampandey9@gmail.com	2020-2023	Term Paper on “Metabolism of innate immune cells in tumor microenvironment that benefits tumor progression.”	
25.	Banaras Hindu University	Saurabh Yadav (B.Sc. Hons) Email- ydvsaurabh031@gmail.com	2020-2023	Term Paper on “Nature’s Pharmacy Divine tree neem.”	
26.	Sharda University greater Noida	Ruchi Rai (B.Tech Biotechnology) Email- ruchirai150@gmail.com	June 2019-July 2019	One month training on “Basic animal cell culture and molecular biology techniques.”	

27.	Sharda University Greater Noida	Rishita Dwivedi (B.Tech Biotechnology) Email- rishi.vaisnav@gmail.com	June 2019- July 2019	One month training on “Hands on training on Animal cell culture techniques.”	
28.	Sharda University Greater Noida	Shubham Kant (B.Tech Biotechnology) Email- 2015shubhamkant@gmail.com	June 2019- July 2019	One month Training on “Animal cell culture and molecular biology techniques.”	
29.	Uttranchal University Dehradun	Swati Sinha (M.Sc. Biotechnology) Email- swati123mitra@gmail.com	2021- 2023	Dissertation on “Basic animal cell culture and molecular biology techniques.”	
30.	Uttranchal University Dehradun	Madhu Kaushik (M.Sc. Biotechnology) Email- mkdhanbiotech007@gmail.com	2021- 2023	Dissertation on “Basic animal cell culture and molecular biology techniques.”	

31.	Banaras Hindu University	Sayma Azeem (B.Sc. Hons) Email- saymas05@gmail.com		Term Paper	
32.	Banaras Hindu University	Nidhi Singh (B.Sc. Hons) Email- nidhi16sn@gmail.com	2016-2017	Term paper on “Role of miRNA in regulation of nutrient transporters in cancer cells.”	
33.	Banaras Hindu University	Suchitra Sen (B.Sc. Hons) Email- (N/A)	2018-2019	Term paper on “Birds of BHU”	
34.	Banaras Hindu University	Pushp Ranjan (B.Sc. Hons) Email- (N/A)	2015-2018	Term paper on “The role of altered Treg cells in the pathogenesis of asthma.”	
35.	Banaras Hindu University	Utkarsh Dubey (B.Sc. Hons) Email- (N/A)	2019-2012	Term paper on “Plants as immunosuppressive agents.”	
36.	Banaras Hindu University	Sakshi Parshuram Fulzele (B.Sc. Hons) Email- (N/A)	2019-2021	Term Paper on “Immunosuppression by Bacteria.”	
37.	Banaras Hindu University	Mangal Kumar Patel (B.Sc. Hons) Email- (N/A)	2019-2021	Term paper on “Fungal immunosuppressants”	

38.	Bhagalpur University	Shrut Shriyansh (B.Sc. Biotechnology) Email- (N/A)		One Month Training on “Hands-on Training on Animal cell culture techniques.”	
39.	Sardar Patel University, Gujrat	Garima Negi (M.Sc. Biotechnology) Email- garimanegi14@gmail.com		Dissertation on “Elucidating the role of ethanol on cell line survival and altered metabolism.”
